INTERNAL AND EXTERNAL VACANCIES FOR ACADEMIC STAFF

The establishment of Landmark University represents a major milestone in Nigeria's educational history. Founded by World Mission Agency, which is an arm of the Living Faith Church Worldwide, her quest is to become a leading world class University. As an apex educational institution, it is focused on attaining new frontiers in driving an Agricultural Revolution for Africa in teaching, learning, research, and community service by promoting a lasting culture of excellence towards restoring the dignity of the black race. In pursuit of the goal of building a strong research foundation, it seeks to employ research-active academics either as sabbatical staff or on regular appointment from all over the world. The campus is IT – driven, which empowers every focused academic towards achieving the academic goals of faculty and that of the University.
